

# Head of House

## Fact File

### Bronte

**Mrs Foyle**

#### **Why is your house the best house?**

Our House colour is Gold. The colour 'Gold' is the colour of success, achievement and triumph and is also associated with higher ideals, wisdom, understanding and enlightenment.

#### **What is your favourite food?**

I love Italian food and anything spicy.

#### **Do you have any hobbies?**

Cooking, reading, going to the theatre and the cinema, socialising with my friends and family and going to nice restaurants where I will always try something unusual or something I have never eaten before.

#### **What music do you like to listen to?**

I listen to a wide range of music including Jess Glynne, Bruno Mars, Charlie Puth, Ed Sheeran, Paul Carrack, Sam Smith, The Beatles, Stevie Wonder (other Motown music), and some dance music. I also love going to live concerts. The last concert I went to was James Morrison at Symphony Hall.

#### **Favourite book and why?**

All the books I read to my children when they were little, especially those written and illustrated by Jane Hissey - I'm going to read them to my Grandson when he is a bit older. I also enjoyed 'Touching The Void' by Joe Simpson' a true story of his terrifying adventure in the Peruvian Andes and 'Wouldn't Take Nothing For My Journey Now' by Maya Angelou - a collection of writings about lessons in living, which I have read many times.

#### **Favourite film and why?**

I don't have one favourite but I like the Toy Story films, Alien, The Tourist, Jaws, Moonstruck and I also like watching some old black and white films.

#### **Do you have any pets?**

I have had dogs nearly all my life but do not have any pets right now.

#### **Which football or sports team do you support?**

I don't really like football but I do like watching Rugby. I have been to live games to watch Leicester Tigers play and always watch games on TV when England is playing

#### **What's the best advice you can give to Y6 students starting in September?**

If you have any problems, questions or something is worrying you, don't be afraid to ask. There are a lot of people in school who will help you. Don't worry if you get lost in the first week or two - it's happened to everyone - including me. And, have fun but work hard - your time at Great Wyrley will go very quickly and this time can shape your future.
