Favourite book and why?

A Kestrel for a Knave (Kes).

A story of a young lad who lived a life of struggle. He found something he loved and put his all into it, training a Kestrel. When he had something positive to focus on he began to thrive – with the help of his English teacher. It's got a lovely message of when you find something you are passionate about you can achieve greatness.

A quote from the book – 'They beat him, they deprived him, they ridiculed him, they broke his heart but they couldn't break his spirit.'

Favourite film and why?

High School Musical. Has everything I love in it, sport, dancing, music, school. It's a great story of how the underdogs can come out on top and why we should all be kind to each other and not judge anyone. They sing loads of cheesy songs and have fun along the way.

Do you have any pets?

Nope.

Which football or sports team do you support?

Everton – My dad is born and bred scouse. I also lived in Liverpool for 9 years from attending University there to working up there when I had graduated.

What's the best advice you can give to Y6 students starting in September?

Remember. – everyone is in the same boat. We have all had a rocky ride over the past few months. You've done amazingly! If you are feeling nervous/worried/anxious – this is perfectly normal. Try and enjoy your new surroundings and making lots of new friends. If you have any worries then my door is always open.
