

ACTIVITY WEEK 2021 YEARS 8,9 and 10.

It is with great pleasure that we are ready to launch this year's Activity Week 2021. This will be the week beginning Monday **19th July to Wednesday 21st July 2021**. Staff have started to plan exciting excursions and activities for this week. The timings of the days are as follows:

Monday 19th July 10:00 - 2:30 pm

Tuesday 20th July 10:00 - 2:30 pm

Wednesday 21st July 10:00 - 12:30 pm

We are now in a position where we need indication of numbers of students interested in the activities on offer. Some will incur a small cost whilst others will be free. Full details about these activities will be given out once we have numbers for each of the activities. Please note some activities have a minimum and maximum number of places available and are not open to all years. Activities will take place all day on Monday and Tuesday, and on Wednesday 21st July all students will be watching a film in the theatre. School coach times will be amended to accommodate the timing of the school day.

Students to choose one option, if choosing Activity Week Options there should be a first and second choice. Not all activities are open to all year groups, this is stated along the description. Choices to be made by Wednesday 12 May 2021.
