Parent Bulletin - Friday 22nd March 2024

Headteacher Update:

Dear Parents & Carers

I write to you all on the last Friday of the spring term having finished a wonderful last week here at Great Wyrley Academy. This week we have held celebration assemblies for all Year groups where we have celebrated some wonderful successes focused on attendance, behaviour and our aspire values. Students joined in and congratulated over 150 of their peers on some fantastic achievements this term. Students were given a certificate and easter gift as a way of thanking them for their hard work and dedication. It was lovely to be a part of this and we look forward to the big end of year celebration assemblies at the end of the summer term. It would be nice to see even more students recognised next time round.

We must begin the bulletin by saying farewell and welcome to colleagues. Firstly to Mrs Yates who has been with us for 13 years as our Cover Manager. We wish Mrs Yates the best of luck for the future and thank her for her hard work and dedication. Sadly, we must also say our goodbye to Miss Smith who has been with us as a Teacher of Design Technology and Assistant Headteacher for nearly 15 years. Miss Smith has been a valued member of the school community and we would like to thank her for her everything, she will be sorely missed by staff and students alike and we wish her the very best of luck for the future.

When we return we will be welcoming to the Great Wyrley family

- Miss Condrey as Curriculum Lead of Music
- Mrs Chapman as Curriculum Lead of Design Technology
- Mr Singh as Cover Manager

You will know from my communications with you that the start of terms and half terms are my favourite times in the year as it gives everyone a real chance to refresh, reflect and start again. This is also the point at which I like to reinforce our high standards and expectations and provide clarity on other areas and I thought that I would use this bulletin to share those with you.

Attendance:

Attendance at school is crucial, there is a direct link between attendance and progress made. Regular attendance to school also has an impact on students' abilities to form and maintain friendships and other social skills.

We understand that determining whether or not to send your child to school when they are unwell can be a challenging decision. Therefore, we want to provide you with recently updated NHS guidance about common illnesses which will hopefully be useful.

Full NHS advice on common illness and school attendance can be found here: <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

We have a very experienced pastoral team who are able to support you with any difficulties or questions you may have around your child's attendance and I would encourage you to contact school and speak to your child's form tutor in the first instance. On a positive note, when we do return to school we will be launching our whole school "attendance opoly game". Further details to follow.

Uniform:

Our rules around uniform have remained the same all year. Hoodies and trainers are not allowed. If there is an issue with footwear we have ample pairs of shoes that can be borrowed until the issue is rectified. Notes are not acceptable and can only be accepted if they are from a medical professional. Uniform largely at Great Wyrley is impeccable however, skirts in particular are becoming an issue and I want to make sure that the guidance on skirts is clear. Black skirts must be worn of styles indicated below and again no stretchy, clingy fabrics will be allowed. Tube style skirts will not be permitted.

Skirts must be knee length. The full descriptions and uniform lists can be found using [this link](#).

PE Kit:

Mr Phillips, our Curriculum Lead for PE, wrote to you last week to discuss the rules around our PE kit. A summary of those expectations can be found below

As the year has gone on, there has been a dip in some of the standards and consistency across the Academy with regards to kit for PE lessons. PE kit, like the Academy uniform, is an expectation for all students. The Great Wyrley PE kit is worn during lessons for hygiene reasons and also to ensure all students are conforming to high standards and expectations of appropriate kit. Below are a few expectations that will be enforced as of Monday 8th April.

Year 7-9 students:

- All students **MUST** bring a GWA kit for PE lessons - This is the black collared PE top with the Great Wyrley badge on.
- The GWA top and/or GWA hoodie can be worn with GWA shorts, GWA Skorts, Black Football shorts or black leggings - Cycling shorts are not permitted.
- All students must bring appropriate trainers for completing physical activity - school shoes and Crocs/sandals are not permitted.

Year 10 Students:

- All students MUST bring a minimum of a GWA top to PE lessons
- The GWA top can be worn with plain black jumpers/jackets black shorts and black leggings.

Year 10 BTEC Sport and Dance students:

ALL Sport and Dance students should be arriving to practical lessons with the correct GWA PE kit. As we progress through the course there will be a lot of recording during practical lessons and the standard of the kit must be high for everyone. As BTEC students they are the elite standard for PE and role models for the KS3 students.

iPad:

All students have access to an iPad to use in and out of school. It is important that students see this as essential pieces of equipment and bring it to school, fully charged every single day just as they would bring a pen with them. Without this students will be unable to access learning materials in the majority of their lessons and so it will hinder their impact greatly. If students have any iPad issues at all they must make sure that they report them to their form tutor who can refer it to their Head of Year.

Conduct outside of school:

Whilst we have high expectations around student behaviour in school that does not stop once they leave the school gate. I wrote to you earlier on in the term to discuss the importance of modelling our school values and being a responsible citizen especially whilst wearing our school uniform. Students are reminded about the impact anti social behaviour can have on the community and if any such incidents are reported to the school we will investigate and sanction accordingly.

School site access and parking:

It is important that I remind you again of our policy for on-site parking. It is not permitted for you to park in the school grounds. In addition, we ask you to please consider the safety of the staff and students by not driving onto the school site if the gates are open. Parking is also not-permitted on Hall lane where double yellow lines are clearly marked. We have seen increased patrols by traffic wardens this year and this will continue to be the case next term. Additionally, if you wish to see a member of staff it must be via prior appointment which can be arranged by contacting the main reception.

Finally a reminder to all Year 11 parents that we will be running Easter school during the school holidays. We have sent the timetable via parent mail with some guidance around session timings. We look forward to as many students as possible attending so that we can use the time to plug those remaining knowledge gaps in preparation for the summer exams.

I will leave you now to read through the rest of the bulletin. I want to thank you for your continued support and I wish you all a restful Easter break.

Kind regards

Mrs Moore

Mrs K Moore
Headteacher

School Events for this week:

IMPORTANT Year 7 Parents evening date change:

Our Year 7 Parents Evening is scheduled to take place on the Thursday that we return to school (11th April) However, this event has been rescheduled, it will still take place next half term but has been moved to Thursday 25th April 2024. Our parent portal will soon be open for you to make Parents Evening appointments in advance of that evening. We apologise for any inconvenience this has caused. If you have any questions or queries please do not hesitate to contact your child's form tutor in the first instance.

Cinema Experience & Behaviour reward:

Sadly due to severe technical difficulties we were unable to host the cinema experience for students today. All the students involved were sent an invitation so keep this safe as we will make sure that we hold this event during the first week back. My sincere apologies again that this wasn't able to take place but this was out of our control.

Maths House Competitions - The results are in!

Over the last two weeks students have been working hard on Times Table Rockstars in their own time to win points for their house by taking part in the Maths House Competitions. The results are now in!!!

Maths Paper Society:

Not sure of how to start revising for maths? We have the answer. Why not come along to the Maths Paper Society on a Friday lunchtime where you can practise maths papers. There are maths teachers on hand to help you and you get a free lunch!

To book please fill in the google form on the year 11 classroom.

Year 11 Maths Papers Society Lunchtime on Fridays in Q22

*GCSE papers and lunch provided.
Have your lunch and do some practice.
Get help when you need it.
A paper a week will help to boost your GCSE grade.*

Eco Club:

This week the Eco club has been planting trees, to create hedgerows. We have planted holly and hawthorne to encourage more biodiversity.

Craft Club:

The club started the New Year with the Chinese new year dragons. They manifest as paper puppets, string puppets and wood. We looked at them on a green background and saw them fly with help from film technology.

We followed on with the dragon theme into Easter. This was our Dragon nest with a dragon egg and a little dragon inside that. Also sweets that were egg based, sweetie fried eggs, chocolate creamer eggs and an Oreo one too. Twigs and sparkling pipe cleaners were at the bottom of the nests to give drama to the dragon nest theme. All of which stood on a larger Kit Kat egg. The club had a brilliant time putting this together.

A Happy Easter to you all

Maths GCSE - 63days to go...

Two weeks ago marked a significant milestone for the maths GCSE - there are only 63 days to go until the maths GCSE!

John Corbett from Corbettmaths has started to create a short video every day until the exam. They are only a maximum of 10 minutes long so perfect for revision. Follow the link below to watch an explanation and then choose the correct tier to watch the videos.
