Overview

Welcome to our latest edition of the Newsletter from the Great Wyrley Academy Safeguarding Team. Our aim is to bring you all the latest, relevant help and advice on issues that we feel will be of importance to you.

At Great Wyrley Academy, both staff and students are trained and educated in many areas of safeguarding. Staff are informed of the signs and symptoms to look for and be aware of, that could be an indication that there is a concern and how to report concerns. Students are given appropriate information into safeguarding topics and given strategies on how to stay safe.

This issue will cover: Online Safety - Parent Resource Hub
