

Relentlessly Pursuing Excellence

Parent Bulletin - Friday 24th November 2023

Headteacher Update:

Dear Parents & Carers

Another productive week has passed at Great Wyrley Academy. Once again, we have seen a record number of Aspire points being awarded, we have seen a reduction in negative behaviour points and an increase in school attendance and we hope to see this continue over the rest of the term.

Year 11 commenced their mock exams this week. Many of the students have approached the exams positively and with real resilience. It is essential that during this period of time students are also looking after their well being. Students should ensure that they are getting plenty of sleep the night before and that they get a good breakfast in the morning. We will be providing breakfast every morning from Tuesday 28th November for all of Year 11 for the rest of their mock exams during form time to help support this. Attendance during this mock exam period is absolutely essential, if students are absent for any reason please inform the attendance office immediately. We wish Year 11 the best of luck and look forward to seeing the results of their hard work.

I'm afraid that this week I need to remind all parents and carers that are travelling by car that parking up on the school site is not allowed. This is a matter of health and safety. We have seen an increase in the number of drop off and collections on school grounds. If you need to come onto the school site for any reason please park outside of the school gates unless this is for a pre-arranged meeting during the school day. This does not apply to those who require disabled access onto the site.

It is that time of year where we review and practise some of our health and safety procedures. At some point during this term we will practise our fire drills, evacuation plans and full lockdown drills. All of which are required by law and so we will be briefing the students over the next week on what these may look like. There could be a number of reasons as to why a school may need to go into lockdown such as having a dangerous dog on site or poisonous gases or smoke over the school site and it is important that we practise what we need to do as a school in each of these situations albeit rare situations.

I will leave you now to read through the rest of the bulletin. I hope you have a lovely weekend.

Kind regards

Mrs K Moore
Headteacher

EmpowerED

As we continue to embrace technology at Great Wyrley, we want to emphasise the importance of bringing iPads to school every day, fully charged and ready to use.

Seamless Learning Experience:

Having the iPad charged ensures a seamless learning experience. Students can actively participate in class discussions, access digital textbooks, and engage in interactive learning materials without interruptions.

Access to Resources:

The iPad serves as a gateway to a wealth of educational resources, applications, and online tools. Being prepared with a charged device ensures that students have instant access to the information and tools they need to excel in their studies.

Collaborative Learning:

Many classroom activities involve collaboration and communication through digital platforms. A charged iPad allows students to collaborate effectively with their peers, fostering teamwork and enhancing their overall learning experience.

Preparedness for Assignments:

Teachers assign tasks, projects, or assessments that require the use of the iPad. Having it charged and ready ensures students are prepared to complete assignments efficiently and submit work on time.

Efficient Time Management:

A fully charged iPad enables students to make the most of their time during the school day. They won't need to worry about finding power banks or waiting for your device to power up, allowing them to focus on their studies and classroom activities.

In conclusion, students bringing the iPad to school every day with a full charge is a small yet impactful way to enhance their learning journey. It ensures you are ready to embrace the opportunities that technology brings to the educational environment.

Review and Re-do

We are now moving into the Review and Re-do phase of the 360 cycle. Students will be working on filling the knowledge gaps in their lessons for the next 2 weeks.

This will be done by one of the following methods:

R1. Re-draft/Re-do:

Students provided with the opportunity to enhance their work by revisiting and repeating it.

R2. Rehearse or Repeat:

Students to focus on specific aspects of their learning that they have previously encountered, aiming to bolster their confidence and fluency.

R3. Re-visit and Respond:

Students to revisit and reinforce their understanding by responding to additional, similar questions related to the material.

R4. Re-learn Material and Re-test:

Students gap in knowledge are identified and they are re-taught the content. Subsequently, assess their understanding through various means, such as exit tickets or Google forms.

R5. Research and Record:

Students improve their work by referencing a broader range of ideas, texts, case studies, examples, or incorporating more detailed information. Students conduct research and integrating these findings into an enhanced version of their task, leveraging available digital technology.

FREE Breakfast Club

Numerous studies have shown breakfast may benefit physical health and cognitive function too – improving concentration levels and chances of a child’s success at school. Missing out a whole meal a day is going to make it hard to catch up on the nutrition their bodies need and reach their full potential in the classroom.

ALL students at Great Wyrley Academy have access to a **FREE** breakfast at school every morning from 8:00 a.m. This includes bagels, cereal and milk. Please encourage your child to take up this opportunity. It is also a chance for them to socialise with peers before the official start of the school day.

Safety

To ensure all students are safe at all times please can you remind your child to remain on the school premises, in the canteen, if they are dropped off early for breakfast club. A few students are leaving the school site and going over to Tesco or to wait outside for friends. Thank you for your support in this matter.
