## **Parent Bulletin - Friday 6th October 2023**

### **Headteacher Update:**

Dear Parents & Carers

I write to you at the end of week 5, the summer seems like a past memory and half term still seems very far away. Students have felt the pinch this week as the nights get a little darker and the days a little colder. It is really important as we enter the middle of the Autumn term that we keep standards and expectations high with our particular focus at the moment on attendance to school. Despite the oncoming heatwave, I have had several queries around students bringing coats to school, just to confirm students can of course bring a coat to school. All that we ask is that these are not worn in the building as has always been the rule, this includes movement to and from lessons.

I wrote to you all earlier in the week with some further guidance around "Is my child too ill to go to school". This NHS guidance has been really helpful in guiding parents and carers to decide whether or not their child should remain off school especially, as we enter cold and flu season. A link to guidance we have sent out can be found [here](#) as always if you have any concerns or queries it is important that you contact the main reception. Many of the conversations I have had with families this week have been around trying to build resilience and encouraging students to come to school when they are unwell but well enough to come into school. Students whose absence rate is 90% at the end of the academic year equals 19 days of absence throughout the school year. This lost learning will have a direct impact on the progress students are making in their subjects. If you are concerned at all about your child's attendance at school please contact the attendance team who will try and support you however we can to ensure your child has a positive attendance record.

On Thursday we had our first Aspire for Life Day where students attend lessons that are planned around our PSHE curriculum. Students in all Year groups covered topics such as mental health, health and well being and drugs and alcohol, more details of this are in the curriculum section. Students were well engaged and participated in some really healthy debates and conversations around what were some very sensitive topics and we are really proud that students have taken such an active approach in developing their personal growth and development in these areas.

I will leave you to read through the rest of the bulletin. I hope you have a lovely weekend.

Kind regards

Mrs K Moore  
Headteacher

## School Events for this week:

**Sport:** Due to the massive success of football clubs across all 5 year groups (including 70 KS3 students attending each week), and the large number of football fixtures across the year groups (2 a week minimum) involving league and cup fixtures we have had to change the football club provision. This will increase training time per year group in the long run. As of Monday 9th October week B Tuesdays will be for Year 8 and 9 boys football. Week A Tuesdays will be for Year 7 boys only

**Sport:** On Tuesday the 10th of October we will be hosting the 2023 WAT Year 7/8 Girls Football Tournament. This is the first time we have held this event and are very excited to have students from the 5 secondary schools across the trust joining us for what will be a fantastic day of competitive girls football. We look forward to reporting the results next Friday.

**French:** On the 3rd October the Paris Trip 2024 was launched for year 9 and year 10. After a successful trip last year we have decided to run the trip again but add an extra day on, so pupils can have as much time in Paris as possible, soaking up the culture and seeing monuments.

**ADT:** After school clubs in Art, Design and Technology have had a brilliant uptake so far this year. A new club for this year is the Set Design Club and their first commission has been to turn the Library into an Alice in Wonderland experience. They have started work on creating roses this week.

**History:** All parents and students taking part in the WW1 Battlefields Tour 2023 were invited to a presentation evening, during which Mrs Broad Wood shared with everyone the sites to be visited during the trip as well as the terribly early departure time of 2:30am. We have ordered a poppy wreath to be placed at the Menin Gate by representatives of the school when we attend the evening ceremony on 27th October.

GCSE Y11 students have been working hard over the last week to complete their first key assessment task focused upon the current unit of Conflict and

Cooperation 1919-1939. The topic assessed was primarily linked to the work of the peacemakers and the League of Nations, Tamzin Booth and M'Ballou Kallon's responses particularly stood out and were used as WAGOLLS with their peers.

**RE:** The students have demonstrated excellent communication skills when exploring such topics as:

- Does God exist?
- Can he be all loving if there is evil in the world?
- How did the world begin?
- Are humans the pinnacle of creation?

*Philosophical question of the week:*

When you have a toothache, is the pain in your mouth or in your brain?

**English:** In English Year 7 have now successfully completed their standardised reading tests and intervention where applicable will be organised! Fantastic achievement has been demonstrated across the board and relentless resilience was shown! Great work Year 7!

**ADT:** We have been working on Mandala Design and using organic shapes in Year 7 Art. The students have created some beautiful Mandalas and observations of shells. Some of the work produced is absolutely phenomenal - stunning use of shape, tone and texture. Well done Year 7.

**Maths Week England 13th-18th November.**

Maths Week England was set up in 2019 with the goal of ensuring that no children miss out on the opportunities that being a confident competent mathematician can give them. In 2021 it became the largest national maths festival in the world,

thanks to an amazing and hard-working committee and a fantastic bunch of teachers.

Last year Great Wyrley Academy took part in a whole host of activities through Maths Week such as webinars, daily puzzles and brainteasers. This year the maths department wants even more students to take part. You will even be able to gain house points for every activity you take part in. Keep an eye on google classrooms for more information.

### **Time Tables Rock Stars**

#### **England Rocks Competition 14th - 16th November - We're in!!**

This year students from years 7-9 at Great Wyrley Academy are taking part in the England Rocks competition which is run by Time Tables Rockstars. It is open to all schools in England and encourages pupils to answer as many questions as they can during the competition period (07:30 to 19:30 each day). The top 3 Primary age and Secondary classes (based on average score) will win Amazon gift cards!!!

Please see your maths teacher for more details of if you have forgotten your username or password.

### **Maths House Competitions - The results are in!**

Over the last two weeks students have been working hard in their own time to win points for their house by taking part in the Maths House Competitions. The results are now in!

**Aspire for life day:** Year 11 were lucky enough to have a talk from careers advisors Jackie Flint and Nicky Hamilton. They offered some great advice for our year 11s and gave them lots to think about. Interviews with the careers advisor will be continuing throughout the year.

### THE HOUSE NAMES ARE IN

We have recently relaunched our houses. We have brand new house leaders and brand new names...

Wyrley Lions  
Wyrley Wolves  
Wyrley Raptors

Wyrley Wolves.

We have had our first set of competitions with Football, Benchball, Maths and French starting us off. As well students showcasing their leadership qualities at Year 6 open evening - the house with the most involved were the winners!

There is currently a poppy appeal the students can get involved in for their house as well as the shoe box appeal as posted on the google classrooms.

The leaderboard will be announced next week!!

Watch this space for the next set of competitions for the week beginning 16th October.
