11 November 2020

Dear Parent/Carer

In support of our charity fundraising ethos in school, we will be having a school non-uniform day on Friday 13 November 2020, to support the Children in Need Charity. Students and staff should pay £1 to support this fundraising event and all monies collected will go towards this charity.

Please see [www.bbcchildreninneed.co.uk/fundraisinghub](http://www.bbcchildreninneed.co.uk/fundraisinghub) for more information about the incredible work this organisation does. We are extremely proud of our students, who are always willing to engage enthusiastically with our charity based events.

As part of this non-uniform day, students will still be required to follow our high expectations and standards on appearance. They cannot wear fancy dress, any garments with offensive language on, use face paints or hair dye, wear crop tops or wear anything that is inappropriate.

A large number of our students in Years 9, 10 and 11 are required to wear PE kit to school on a Friday, as part of their current weekly routine. It is vital these students can feel included in this non-uniform experience and donate as a result. These students are allowed to wear non-uniform, but it must be clothing suitable for them to be able to take a full and active part in their timetabled PE lesson on the day.

Yours sincerely

Mr D Fielder  
Assistant Headteacher
