20 September 2022

Dear Parents and Carers,

I hope this letter finds you and your family well. Students at Great Wyrley Academy have made a terrific start to the new school year. The academy is buzzing and purposeful as our students and teachers work together to build on this year's record examination results.

I write with important news about the school's senior leadership team. Mr Moreton, who has done a wonderful job of leading the school for the past four years, is moving to be the headteacher at another school in the Windsor Academy Trust family, Kingswinford Academy. We wish him all the very best in his new school which, I am sure, will go from strength to strength under his leadership.

Over the coming days we will be going through the process of interviewing and appointing a brilliant new headteacher to lead the school into the next stage of its tremendous transformation.

The successful candidate will inherit a strong team of leaders, dedicated teachers and professional service staff, and a school full of students who are proud to attend and represent Great Wyrley Academy. Leading Great Wyrley is an excellent opportunity, and we are passionate about finding the very best person for this privileged position.

We will let you know as soon as we have news of an appointment. Until then, we thank you for your continued support.

Yours sincerely,

Dawn Haywood
Chief Executive Officer
Windsor Academy Trust
