## Y11 Information Evening

Dear Parent/Carer

We would like to invite you to an important Year 11 Information Evening at Great Wyrley Academy on Wednesday 25 October where we will be providing strategies and resources to help you to support your child during their final year, some of the things we will be discussing include:-

- The upcoming mock examinations
- The start of after school revision sessions and the requirements from your child
- The importance of good attendance
- Useful revision strategies
- How to support your child's mental wellbeing
- The exam time table for the summer

The evening will commence at 6:30pm and last for approximately one hour. There will then be an opportunity after this session for you to speak with the leaders of the subjects around any concerns or queries you might have. There will also be careers and next steps advisors available that evening for you and your child to discuss with them potential pathways at the end of Year 11.

Finally, at the end of this session each child will receive a revision pack worth over £50 for free. Within this pack will be a revision guide for every single subject for which they are studying, a top of the range scientific calculator and revision planning templates for them to use.

If you will be attending this evening then please can you complete the google form using the link below.
